Redacted non responsive

Not really wanting to participate in the meeting. I will plan on taking William Carr to answer SRF questions and will answer any questions they might have regarding the city working directly with KDHE including negotiation of a consent order if the city chooses to work with KDHE.

Prepare to have a couple of state legislators in attendance. [REDACTED]

Ok...so when we talk about enforcement, does KDHE want EPA to portray that the system has an option to sign a Consent Order with EPA or KDHE?

We really could use some help with the discussion of SRF, which is out of my league.

Uh, no thank you. I will be attending in a listening capacity only. This one is all EPA's baby.

Haven't heard back yet whether it will be Dec 3 or 4. My understanding was that it would be EPA, KDHE, the city council and utilities staff. I'll confirm with Patti when I hear back.

Also, since EPA requested the meeting, I've been working on an agenda. Would you be willing to chime in for the Introduction and speak about SRF? Here's what I have so far, very much in DRAFT...

Certainly open to suggestions on an agenda.

Intro – Diane, Darrel
Widespread prob; costly solutions; Acute Health threat
Why we are here

Current Status – NO3 data trends

History (brief)

Path Forward

SRF – Darrel

FS

Order – EPA or KDHE?

One other thing - we should probably talk about the Pretty Prairie meeting as well.
